AT THE TIME OF EVIL

It was the day of Saint Lucy, 13 December 2022, I was thinking about how I could definitively demonstrate to the whole world the cruel deception in which we live, so, I thought I'd put the findings of my previous book "The Secret Timeline" to good use and use them to accurately try to predict an event that has never before been predicted: the date of the end of a papacy and the first name, last name, election date and papal name of the possible future Pope of the Catholic Church, but I never imagined discovering what I discovered, something bordering on logic, sometimes surreal, sometimes inconceivable, but always diabolically ordered, to the point of questioning the nature of reality itself. I was looking at the pictures of all the, as of the time of writing, eligible cardinals, the ones who can be elected once the current Pope, Francis, will leave the papal seat, and I immediately, maybe because of luck, perhaps by luck, perhaps by fate, found the one cardinal I was looking for: Jean Zerbo, born in Ségou, Mali, on December 27, 1943, the first Malian cardinal of the Roman Catholic Church.

From the official Vatican website:

“His priestly ordination took place on 10 July 1971, in Segóu. Part of his higher formation was carried out in Lyon. He graduated from the Biblical Institute in Rome, where he obtained a licentiate in sacred scripture (1977-1981). From 1982, for several years, he worked as a parish priest in Markala and as a lecturer at the major seminary of Bamako. He was appointed as auxiliary bishop of the archdiocese of Bamako on 21 June 1988. On 19 December 1994 he was transferred, as titular bishop, to the diocese of Mopti.

On 27 June 1998 he was appointed archbishop of Bamako. He has played an active role in the peace negotiations in Mali. He has been involved in the fight against exclusion and, above all, has promoted reconciliation and solidarity among Malians. Created and proclaimed Cardinal by Pope Francis in the consistory of 28 June 2017, of the Title of St. Anthony of Padua on via Tuscolana. Member of: Dicasteries for the Evangelisation; for Laity, Family and Life.”

The informations you are about to read were not meant to be of public dominion, nor they were meant to be known by anyone else except the individuals who are behind the creation of this system. At one point, while reading these almost otherworldly revelations, you will ask yourself if this reality is truly “real”, don’t worry, that’s a symptom of sanity, yet we, the 99% of the people, who are outside the exclusive circle that runs the show, must not ignore the fact that there forces in motion, and they go beyond our conception of reality. We were programmed on the surface to hold a strong disbelief about what is “on the other side”, the invisible world that com-penetrates our physical reality, yet we were subconsciously programmed by medias, such as movies and novels, but also by the structure of our very language, in believing and fearing on the deepest part of our mind the “others”, these invisible entities that are always at work. They are those who make coincidences happen, they move the structure of our time as a four dimensional Rubik cube, which is truly out of our perceived “time”, in an eternal instant that embeds every single moment of every time that has ever passed, each face of the cube is divided in smaller parts of itself, just as a fractal, and we humans are a part of this infinite fractal, and we ourselves are the single faces that

are the same of the whole, and are constantly manipulated by the ever present architects of time, which perpetually aim to solve the puzzle that is our reality, as a whole and as individuals, in order to fulfil the need for harmonious order, yet, even Evil can do perfect things, thus one must choose, in every choice time presents to him or her which hand to choose, the Right Hand of Goodwill or the Left Hand of Evil. People in positions of power such as high ranking members of the Church, sects, banks, nations and religious orders, imitate what we may call the "Hand of Time" in order to grant for themselves everything their insatiable hunger wants, and to protect their status in order to not lose it, yet they are not invisible, they leave tracks behind them, marks, because they actually walk on a path already traced by their masters, because they are the servants of the lesser spirits of this world; Christians call them Demons, Gnostics call them Archons, I call them Architects of Evil. Every time there is death, ruin, suffering and destruction they leave their fingerprints, a mark, tracks that lead in one precise direction, because they must brand their victims with the mark of the beast. This work aims to walk the rails of our time starting from the past and going forward to the nearest future. Time doesn't exist, it is a concept created by man in order to regulate his life, time in fact is void, something that never begins and never ends, the only thing that can be identified as such is, by definition, "nothing". Nothing never ends, and what is time if not a possibility, a chance? Only through the void of space one can exist, if reality was a whole, single object, placed in an universe filled in every part of its "non-space" then nothing would have had the possibility to exist. Think about it, when we move we actually move through time, we produce time because we move, moving from one

point to another is not time itself: time is the possibility of doing it. God is like time, we exist through Him, and, as the void of space that defines every object or living creature that exist, He gives us freedom. Time doesn't exist but freewill does exist, on a certain extent, yet, once one gives his life to the Left Hand of Evil, then he loses it all, he will do as his master tells him, consuming himself as time passes by, maybe he'll gain riches, power and a long life, but compared to eternity all time is madness. In the end time wins against us mortals, yet space remains, and the space we filled with our freedom of doing Good instead of Evil will echo through time forever once we will be taken by the hand and accompanied towards what is the essence of time, an eternal nothing, full of everything, which does not need anything but a light heart and a soul that can shine while traveling towards our respective home star, in order to return to its state enriched by the warmth given by the good that has been done in this absurd parenthesis between two eternities, the one before birth and the one after death, which is our time here and now. In my previous book, "The Secret Timeline" I wrote, in the last lines, that one may be able to predict future events once he realises the structure of time, in this book I will try to give meaning to my words by examining the possibility of the papal election of the Malian cardinal Jean Zerbo, born in Ségou, Mali, on 12/27/1943. The dates marked in his life such as his birth and his priesthood ordination are cardinal points in what I previously called "The Secret Timeline" and now I will refer to "The Time of Evil", Tempore Mali.

Gospel of John 1:10-11

He was in the world, and though the world was made through him, the world did not recognise him. He came to that which was his own, but his own did not receive him.

GEMATRIA AND TIME

Look around you, everything that we can see is made of molecules, that are made of atoms, that are made of particles, that are made of quantum fields, whose nature is mathematical since they have no subjective qualities and are only describable with equations and numbers.

If the deepest nature of the universe were to be mathematical then its language would be pure numbers.

The ancient Greek and Hebrew alphabets are said to have been a gift from the Gods, or in the case of Hebrew, YHWH. These alphabets had no distinction between numbers and letters, each letter was indexed in sequence in order to correspond to a value, a quantity, thus each letter, word or phrase expressed the sum of its letters with a number.

Gematria is the practice of assigning a numerical value to a name, word or phrase according to an alphanumerical cipher. A single word can yield several values depending on the cipher used. In this book I will use various ciphers based on numeric sequences such as the basic English Ordinal (A=1, B=2, C=3, etc) abbreviated "EO", Reverse Ordinal (A=26, B=25, C=24, etc) abbreviated with "RO", Full Reduction (numbers from 1 to 9 in sequence, A=1, B=2 then I=9 and back to J=1, K=2, etc) abbreviated "FR" and its reverse abbreviated with "RFR", then the Extended Ciphers, English Extended (A=1, B=2, through J=10 then K=20, L=30 and so on up to S=100, T=200 and so on) abbreviated (EE), its reverse abbreviated with RE (Reverse Extended) and its alternative version, English Extended Alternative, abbreviated EA and REA, Reverse Extended Alternative, (A=1, B=2 then J=10, K=20 up until S=100, T=110, U=120 etc). The other ordinal Gematria ciphers I will use are the Agrippa Key (A)

and its reductions, Agrippa Ordinal (AO) and Agrippa Reduction (AR), the Illuminati Cipher, already used and explained in “The Secret Timeline”, the Sumerian Cipher and its reverse (the alphabet indexed to multiples of 6), abbreviated ES and (RS), and the mathematical ciphers such as the Fibonacci Cipher, Fibonacci Sequence, Primes, Triangular, Squares and Pentagonal numbers as well as the Alphanumeric Qabbala (AQ), whose sequence starts with the numbers from 0 to 9 and is then followed by letters, (0-9, A=10, B=11 up to Z=35) and the “Satanic” cipher, its reverse and its alphanumeric counterpart, a cipher that indexes the alphabet starting from 36, whose corresponding triangular number (the sum of each number up to that value) is 666 (A=36, B=37, C=38 etc), a similar system of counting is adopted by the “Masonic” Cipher, starting from 33, the master number for Freemasons (A=33, B=34, etc). The last category of ciphers I will use are the Case Sensitive and its reverse (A=1 to Z=26 for the lowercase and A=27 to Z=52 for the uppercase), I will use these particular ciphers very rarely and exclusively for proper names.

Gematria is important since every name is marked by a number and every date or timespan between two given dates marks a number that might mark a precise name. In timespan alignments we will often encounter repdigit numbers such as 111, 222, 333, etc. Three-digit repdigits are all based on the number 37 and multiples of 3 since $37 \times 3 = 111$, $37 \times 6 = 222$, $37 \times 9 = 333$ etc, thus the Kabbalistic importance of repeated digits number since the first verse of the Hebrew Bible has the value 2701 whose prime factorisation is 37×73 , respectively the 12th and the 21st prime numbers, in both cases reflective numbers, and $37 \times 73 = 2701$ (73rd triangular) which reveals its prime factorisation when summed to its

reflection, $2701+1072=3773$. The number 37 is one of the most important numbers in the Hebrew tradition, in fact the word “חכמה (Wisdom)”=37 (Hebrew Ordinal) and 73 (Hebrew Gematria).

Revelation 13:18

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

In the book of Revelation the reader is urged to calculate, through the use of Gematria, or in the specific case of the original language of the text, the Greek Isopsephy, the number of the beast, that is, 666.

Being synced with mass murders and catastrophic events is not something necessarily evil, if someone is synchronised with “The Evil Timeline” it doesn’t automatically mean he or she is involved in it, in future publication I will give more evidences about this particular claim, everything in its time. Yet, temporal architectures as those that I’m going to examine in this research are not the expression of fortuity but of causality. Invisible hands move throughout history marking with sometimes wonder, and most of the other times with blood, precise points in time in order to end and start deadly countdowns whose objective is the reshaping of the work of what believers call Karma, the One True God, Causality. In this space-time architecture which is history we, first as individuals and then as a species, are fractal expression of the nature of both good and evil, concepts that are often misleading, in fact an Angel for a servant of the Demons is a Demon, it’s all a matter of perspective. Time is the ultimate

sacrifice, the clearest example is that of work; in order to live a decent life one, who is not a member of the demonic cult who prints money, must exchange his time for a piece of paper, or numbers on a computer, which are the counterpart of contracts signed by those who think they rule the time of our history, they are the same persons. So, time is the ultimate sacrifice, which in the context of demonic human ritual sacrifices culminates with the killing of the chosen victims, which are most of the times chosen because they were born in a specific timeline related to the specific “powerful” person to which they will be sacrificed to. The concept of vampire is something to see as a metaphor of how, in order to live long lives, the rich members of the demonic sect present to their master demons the lives of their victims, which will then be used as a way to exchange the time of the lives of, most of the times, young people, in order for the sorcerer to transfer, through the aid of these dark entities, their lifeblood to the instigator of the ritual. Evil spirits and demons do actually perform what resemble “miracles”, they can cure incurable diseases such as a cancers, transferring it from the mandator of the ritual to the sacrificial victim, this might seem “antiquated superstition”, yet, I’ll try to give meaning to these claims in this research. Once they are evoked through dark rituals, evil spirits and demons need to be payed with blood, if the evoker fails in the ritual then he or one of his blood relatives will pay the price. How does one sorcerer fail his ritual? There are two possible scenarios: the victim, which is believed to be unaware of the dark ritual that is being performed against him/her, is actually aware of what is happening, and, responding to dark magic with a counter-ritual, in a matter of self defence, blocks the ritual, then the sorcerer and his adepts are given

what they wanted to give to the victim, diseases, mortal accidents, disgraces and ultimately: death. They do these sorceries in the shadow because if they are caught then they will pay with their own blood. Once it's evoked, the dark spirit wants to be paid, and if the victim fails the rite then the demon will turn to them, there will be no escape. The second scenario is that the Custodian Angel or Spirit of Light of the victim acts as a shield by turning back the sorcerer's curses, yet, one may argue: "Why someone is protected while countless others innocent people suffer and die in this unjust world?" I don't have a clear answer, but I believe that someone, sometimes, might be predestined to live and die in certain ways, yet, coming back to sorcery, I'm sure, that one who curses with dark practices, is taken by the darkness at the very moment he or she begins the ritual, their soul, if they have it, a borrowing of God's light, is torn into pieces and detached from their physical body, never to be returned. Hell is made of flesh in torment, not souls of light.

Revelation 21

6 He said to me: "It is done. I am the Alpha and the Omega, the Beginning and the End. To the thirsty I will give water without cost from the spring of the water of life. 7 Those who are victorious will inherit all this, and I will be their God and they will be my children. 8 But the cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars—they will be consigned to the fiery lake of burning sulfur. This is the second death."

934

Pope John Paul I, the last Italian Pope of the Catholic Church, died on 28 September 1978, 33 days after his election, his death fell 934 days after the Cavalese cable car crash in Trentino, Italy, which killed 43. It is the deadliest cable car crash in history. The successor of Pope John Paul I, Pope John Paul II, died 934 days after the first anniversary of the Terrorist Attacks of 9/11/2001 that killed 2977 and injured thousands. His successor, Pope Benedict XVI announced his resignation on 2/11/2013, 94 months, 3 exact weeks after the funerals of John Paul II and 93 months, 4 exact weeks after the first day since his 78th birthday which was 3 days before his election. Pope emeritus Benedict XVI died 934 minutes after my prediction based on code 9576 (posted on Twitter two days before his death), at 9:34, 934 days after the first anniversary of the Building Explosion of Rocca di Papa in Rome, which killed 2, including the mayor, and injured 14. "The Pope"=934 (Reverse Trigonal). February 22, 2023, will mark 933 weeks, 4 days after the death of Pope John Paul II on 4/2/2005, while the following day will mark 934 days after the Beirut explosion of 8/4/2020 that killed 218 and injured thousands. The Beirut explosion occurred on the 1st anniversary of the Cairo car bombing which killed 20 and injured 47. February 22 will mark 9 years, 340 days since the inauguration of Pope Francis that took place on 19 March 2013, again, 934. 9 years, 340 days are 3627 days since the inauguration of Pope Francis. 3627 is the Greek Isopsephy value of the first verse of the Gospel of John.

John 1:1

In the beginning was the Word, and the Word was with God, and the Word was God.

Joh 1:1

Ἐν ἀρχῇ ἦν ὁ λόγος, καὶ ὁ λόγος ἦν πρὸς τὸν θεόν, καὶ θεὸς ἦν ὁ λόγος.

Jorge Mario Bergoglio, Pope Francis, was born on 17 December, the first day of the ancient feast of Saturnalia, a feast of sacrifices to the titan god Saturn, the “Father of Time”. One exact year before 22 February of this year, 2023, Elon Musk, the so called richest man on Earth, a person informed on future plans of the sect who controls the world (of which he is probably a member), tweeted the symbol that represents the planet Saturn which is used in the Christogram (IHS) on the black sun (esoteric name of Saturn) in emblem of the Jesuit Order, of Francis is a member, the first to Pope in history to be a Jesuit. Saturn is the god time, worshipped in antiquity and still worshipped by sects such as “The Brotherhood of Saturn” (Fraternitas Saturni), a German magical order founded in 1926 by Gregor A. Gregorius and four others. It is one of the oldest continuously running magical groups in Germany, country of the Illuminati Order. Musk tweeted the symbol for Saturn on 2/22/22, “Fraternitas Saturni”=222 (AO), 201 (Illuminati Reverse), “Worship Saturn”=201 (EO), “Brotherhood of Saturn”=1004 (A), “Jesuit”=1004 (A), “Saturnus Pater Tempore (Saturn Father of Time)”=1004 (Fibonacci Cipher), the date 10/04 is the feast of “Saint Francis of Assisi”=1004 (EE), “Assisi”=1004 (RE). On 10/04 of the year 1582, the Gregorian Calendar, wanted by Pope Gregory XIII of the Roman Catholic Church, as a modification of, and replacement for, the Julian calendar, was officially introduced. The principal change was to space leap years differently so as to make the average calendar year 365.2425 days long, more closely approximating the 365.2422-day 'tropical' or 'solar' year that is determined by the Earth's revolution around the Sun.

The Gregorian Calendar appears to be tuned with Gematria since it was instituted on the 277th day of the year, “גימטריה” (Gematria)=277 Hebrew Ordinal, “Time”=277 (REA), moreover, the Gregorian Calendar also appears to sync in order to return meaningful timespans between milestone dates of the history of the world, for example, the date of the founding of the Rome is 4/21/753 BC and the date of its fall is 9/4/476 AD, between these two dates there is a span of 1229 years, 137 days, 1229 is the 201st prime and 137 the 33rd, two meaningful numbers of the secret language of numerology and time. “Jorge Mario Bergoglio”=201 (EO) and 1229, the 201st Prime (Fibonacci Cipher), Pope Francis the Jesuit, is the first to take the name of “St. Francis of Assisi”=201 (Illuminati), whom feast, again, marks the beginning of the Gregorian Calendar. Francis is, probably, the 111th Pope of the Prophecy of St. Malachy, and thus, the last. The choice of the name Francis might be the key, since the Feast of Saint Francis of the year 1582 was the end of the Julian Roman Calendar, almost like Francis’ name signals the end of the time of Roman Catholic Church. The motto for Pope Benedict XVI in the Prophecy of the Popes of Saint Malachy is “Gloria olivae (Glory of the olive)” since the Benedictine order has the olive branch as its emblem, Jesus was arrested at the feet of the Mount of Olives and then brought in front of the Sanhedrin that condemned him to death. The Catholic Church, but in reality the (good) Christians, will walk the same path as Jesus, the calvary that began in the Gethsemane, a garden on the foot of the Mount of Olives (Gloria olivae, Benedict XVI) up to martyrdom at the hands of the devils that have infested every position of power in this world. There will be three Popes who will disown the word of Jesus Christ before the end of Christianity, which now lives only in the good deeds of blindfolded sheep grazed by wolves disguised as shepherds,

three as the times the Apostle Peter, the first Pope, disowned Jesus Christ on the night of his arrest.

Gospel of Matthew 26

Jesus Predicts Peter's Denial

31 Then Jesus told them, "This very night you will all fall away on account of me, for it is written:

"I will strike the shepherd,
and the sheep of the flock will be scattered.'

32 But after I have risen, I will go ahead of you into Galilee."

33 Peter replied, "Even if all fall away on account of you, I never will."

34 "Truly I tell you," Jesus answered, "this very night, before the rooster crows, you will disown me three times."

35 But Peter declared, "Even if I have to die with you, I will never disown you." And all the other disciples said the same.

Gethsemane

36 Then Jesus went with his disciples to a place called Gethsemane, and he said to them, "Sit here while I go over there and pray." 37 He took Peter and the two sons of Zebedee along with him, and he began to be sorrowful and troubled. 38 Then he said to them, "My soul is overwhelmed with sorrow to the point of death. Stay here and keep watch with me."

39 Going a little farther, he fell with his face to the ground and prayed, "My Father, if it is possible, may this cup be taken from me. Yet not as I will, but as you will."

40 Then he returned to his disciples and found them sleeping. "Couldn't you men keep watch with me for one hour?" he asked Peter. 41 "Watch and pray so that you will not fall into temptation. The spirit is willing, but the flesh is weak."

42 He went away a second time and prayed, "My Father, if it is not possible for this cup to be taken away unless I drink it, may your will be done."

43 When he came back, he again found them sleeping, because their eyes were heavy. 44 So he left them and went away once more and prayed the third time, saying the same thing.

45 Then he returned to the disciples and said to them, "Are you still sleeping and resting? Look, the hour has come, and the Son of Man is delivered into the hands of sinners.

46 Rise! Let us go! Here comes my betrayer!"

Jesus Arrested

47 While he was still speaking, Judas, one of the Twelve, arrived. With him was a large crowd armed with swords and clubs, sent from the chief priests and the elders of the people.

48 Now the betrayer had arranged a signal with them: "The one I kiss is the man; arrest him." 49 Going at once to Jesus, Judas said, "Greetings, Rabbi!" and kissed him.

50 Jesus replied, "Do what you came for, friend."

Then the men stepped forward, seized Jesus and arrested him. 51 With that, one of Jesus' companions reached for his sword, drew it out and struck the servant of the high priest, cutting off his ear.

52 "Put your sword back in its place," Jesus said to him, "for all who draw the sword will die by the sword. 53 Do you think I cannot call on my Father, and he will at once put at my disposal more than twelve legions of angels? 54 But how then would the Scriptures be fulfilled that say it must happen in this way?"

55 In that hour Jesus said to the crowd, "Am I leading a rebellion, that you have come out with swords and clubs to capture me? Every day I sat in the temple courts teaching, and you did not arrest me. 56 But this has all taken place that the writings of the prophets might be fulfilled." Then all the disciples deserted him and fled.

The Apostle Peter, the first Pope, died martyr in what is now St. Peter Square, on 64 AD, “Morte (Death)”=64 (RO), “Kill”=64 (RO), Pope Benedict XVI, “Pope Ratzinger”=64 (RFR), died 934 minutes after reaching the age of 95.706 years, at 9:34, 6464 days after his papal election on 4/19/2005 and 64 days after 27 October 2022, the date of the time 9:57:06 AM, that corresponds exactly to his age of death, which was 666,666,666 seconds after the 8:46 AM of 9/11/2001, as exposed in “The Secret Timeline”.

Benedict XVI died on 12/31/2022, 4 days after the 79th birthday (4 days-79 years) of “Jean Zerbo”=479 (Fibonacci Cipher), Benedict XVI died 18802 days after “Jean Zerbo”=882 (RS) was ordained, 12460 days after Zerbo was made Bishop and 24 years, 6 months, 4 days (2464) after Zerbo was made Archbishop, “Catholic Church”=246 (RO), “Pontifex ab Ecclesiae Catholica (Pope of the Catholic Church)”=246 (EO), Benedict XVI’s body was publicly exposed in St. Peter’s Basilica in Rome starting on 1/2/2023, a date that falls 66 months, 6 days (666) after Jean Zerbo became cardinal. Pope emeritus Benedict XVI died 55 days before 22 February 2023, “Satan”=55 (EO) and 68 days before 8 March 2023, “Iesu (Jesus in Latin)”=68 (Fibonacci Cipher), date I propose as the possible day of the papal election of Jean Zerbo. The 934 minutes countdown for Benedict XVI’s death began on 12/30 at 18:00 PM, again, he died 934 minutes later, at 9:34, Benedict 16th, $9+3+4=16$, the date 12/30 was 3610 days after he announced his resignation as head of the “Catholic”=361 (Fibonacci Cipher) Church, as well as 3666 months, 6 days since the founding of the Grand United Lodge of England, “Benedictus XVI”=366 (Fibonacci Cipher), “Jesus”=366 (ES), also, 13 days after the 86th birthday of Pope Francis, 113 days after the death of Queen Elizabeth II, 1111 weeks, 3 days (11113) after 9/11, 1300 days after the building explosion of Rocca di Papa, 1130 days after “The Two Popes”, movie about him and Bergoglio,

was released in the US, and 3 years, 33 days (333) after the movie was released in the UK. Benedict XVI died on the 3rd anniversary of the first official cases of COVID-19 were reported by the Chinese Government and 33 months, 3 exact weeks (333) after the declaration of the COVID-19 pandemic on 3/11/2020. Ratzinger was from Germany, he died 12996 weeks after the Grand LandLodge of Germany was recognised on 11/30/1773, 11/30, "Joseph Aloisius Ratzinger"=1130 (Reverse Satanic), 12996 weeks, "Joseph Aloisius Ratzinger"=296 (EO), he became Pope on 4/19/2005, 2776 months after the LandLodge was recognised, "Joseph Aloisius Ratzinger"=276 (Illuminati), "Ratzinger"=2076 (Squares), the "Notre Dame Fire"=415 (A) occurred on 4/15/2019, 6 years, 6 weeks, 6 days (666) after his last day as Pope, 27 February 2013. Georg Gänswein (born July 30, 1956), a German clergyman who became known from 2005 as the private secretary of Pope Benedict XVI, an office that he held after Benedict retired in 2013 until his death in 2022. Benedict XVI died on the first day of the 6th month after the 66th birthday (666) of Gänswein. Paul Verner (26 April 1911 – 12 December 1986) was a German communist politician, Verner became a prominent political personality in the German Democratic Republic after the war. For most of the 1970s and early 1980s he was the second-ranking member of the SED hierarchy, and de facto the second most powerful man in the country after party leader Erich Honecker. He died in Berlin on 12 December 1986, 957 weeks, 6 days (9576) before the first day as Pope Benedict XVI of German prelate Joseph Ratzinger, who resigned on 2/28/2013, 9576 days or 1368 exact weeks after Verner's death, Ratzinger then died on 12/31/2022 at 9:34 AM, 934 minutes after having been exactly 95.706 years of age at 18:00 PM of 12/30/2022. Ratzinger died 13168 days after the passing of Verner, who died when Ratzinger was 3113 exact weeks of age, "Beast"=313 (Reverse Primes), "Six hundred threescore and six"=313 (EO).

The permutations of the number 934 are: 934, 439, 349, 493, 394, 943 and their sum is 3552.
 The last time a Pope and a British Monarch (George IV) died on the same year was in 1830, which was the year of the Tiger in the Chinese Calendar, 2022 was also the year of the Tiger. On 11/30/1830 Pope Pius VIII died, Joseph Aloisius Ratzinger=1130 (Reverse Satanic) was born 35200 exact days after the death of Pope Pius VIII. "Satan"=352 (EE), "Ecclesiae Catholica (Catholic Church in Latin)"=352 (RO), Pope Francis was born on 12/17/36, but on a leap year, thus on the 352nd day of the year. The possible first day of sede vacante (period of time without a Pope), the day after 22 February 2023, will mark 934 exact weeks since the death of John Paul II and 3666 days since Benedict XVI announced, on 11 February 2013, his resignations.

AΩ

If Jean Zerbo will be elected around 8 March 2023 he will most certainly take the name of Leo XIV because of Pope Leo XIV (Italian: Leone XIII; born Gioacchino Vincenzo Raffaele Luigi Pecci; 2 March 1810 – 20 July 1903), who made the White Fathers of Africa (first clerical order of the Roman Catholic Church to operate exclusively in Africa) a recognised clerical order, but also because of Léon Livinhac (13 July 1846 - 12 November 1922), historic Superior General of the White Fathers. The eve of the consecration as bishop of Jean Zerbo marked 66 years, 6 days since the day after the death of Livinhac. Zerbo was installed cardinal titular of the Church of St. Anthony of Padua on Via Tuscolana on the 95th anniversary of the death of “Léon Livinhac”=905 A, the date of his possible election as Leo XIV will mark 17773 days since the death of Léon Livinhac; 17773 is an highly significant number since it is the Greek Isopsephy (Gematria) value of Revelation 1:11, the first verse to mention Alpha and Omega, which are featured in Zerbo’s Coat of Arms. Revelation 1:11 leaves 393 verses before the end of the Book of Revelation, “Jean Zerbo”=393 (EA), $39 \times 93 = 3627$, the value of John 1:1 and the days from 3/19/2013, date of the official inauguration of Pope Francis, to 2/22/2023, the day he might leave the papal seat. “Alpha”=38 (EO), 3/8 the date of possible the first (Alpha, beginning) day of Zerbo as Pope Leo XIV.

Revelation 1

11 Saying, I am Alpha and Omega, the first and the last: and, What thou seest, write in a book, and send it unto the seven churches which are in Asia; unto Ephesus, and unto Smyrna,

and unto Pergamos, and unto Thyatira, and unto Sardis, and unto Philadelphia, and unto Laodicea.

“Omega”=93 (A), 39 (AO), again, $39 \times 93 = 3627$, the value of “Genesis”, John 1:1 in Greek, and the number days of the papacy of Francis since his inauguration.

“Alpha-Omega”=223 (EE), 2/23 possible first day after the last day of Francis as Pope. “Alpha-Omega”=79 (EO), 191 (RO), Zerbo was ordained on 7/10/71, the 191st day of the year, and he might succeed to Francis at the age of 79.

A and Ω, Alpha and Omega, appear in Revelation 1:8, 1:11, 2:16, 22:13, respectively the 8th, 11th, 362nd and 396th verse; $8 + 11 + 362 + 396 = 777$.

The Eiffel Tower in Paris represents the Greek Letters I, A, Ω, IAO is the Greek transliteration of the Hebrew name of God, YHWH. The construction of the Eiffel Tower started on 1/28/1887 and ended 777 days later, on 3/15/1889.

The engineer who designed the tower that bears his name, Alexandre Gustave Eiffel, was born on 15 December 1832 and died on 27 December 1923, he lived 91 years and 12 days; 91 years and 12 days after his death was 7 January 2015, on that day two French Muslim terrorists and brothers, Saïd and Chérif Kouachi, forced their way into the offices of the French satirical weekly newspaper Charlie Hebdo in Paris. Armed with rifles and other weapons, they murdered 12 people and injured 11 others. On the same year Paris had the November 13-14, 2015 terrorist attacks, a series of coordinated terrorist attacks that took place on Friday, 13 November 2015 in Paris, France, and the city's northern

suburb, Saint-Denis, with 137 killed (including the 7 attackers) and more than 400 injured.

The Eiffel Tower was inaugurated on 3/31/1889, the day of the Paris terrorist attacks marked 6606 weeks, 6 days since that date; the mark of the beast, 666.

The election of Pope Francis marked 46066 since the beginning of the construction of France's most famous monument on 1/28/1887; on his possible last day in office Francis he will be 4497 exact weeks of age, the same date will also mark 49700 days since the beginning of the works for the construction of the Eiffel Tower, "Apocalypse"=497 (Fibonacci Cipher), "Francisco"=479 (Fibonacci Cipher). "Jean Zerbo"=479 (Fibonacci Cipher) might be elected on 8 March 2023, 49713 days since 1/28/1887, date of the beginning of the Eiffel Tower works; 49713 entails 4973 and 13 respectively the 666th and the 6th prime number.

The date 8 March 2023 will mark 2671 since the Paris Attacks, 2671 is the 387th prime number, 3=March, 8=Day, $2+0+2+3=7$: 387. "The White Fathers of Africa"=387 (EO). 2671 days since the Paris Attacks might be the perfect date for the 267th Pope to be elected, "Pontifex (pope in Latin)"=387 (Reverse Satanic), moreover, Pope in Hebrew is written אפיפיור which is equal to 387 in Hebrew Gematria.

Again, the Eiffel Tower represents the Greek letters for YHWH, "IAΩ"=811 Greek Isopsephy (10+1+800), "Leo XIV"=811 (Trigonal); 811 days before 8 March 2023 was 12/17/2020 the 84th birthday of Pope Francis the "Jesuit"=84 (EO), "Pope Leo"=84 (EO).

Alpha and Omega, in Greek Isopsephy “A”=1 and “Ω”=800, 1+800=801, 801 days before 8 March 2023 was 27 December 2020, date of the 77th birthday of Jean Zerbo, 77 exact years of age are 18068 days, “Alpha-Omega 3/8/23”=686 (Fibonacci Cipher), the eve of the consecration as archbishop of Jean Zerbo marked 18686 days since the death of Superior General of the White Fathers of Africa (founded in 1868) Joseph-Marie Birraux, (22 Apr, 1936 Appointed Superior General- 30 Apr, 1947, died), March 8, 2023 will be 18868 days since the first day after his ordination, “Pape León XIV”=1868 (RE) and 18 weeks, 6 days (186) after the beginning of the 27 October 2022 countdown of the 9:57:06 alignment exposed in “The Secret Timeline”. The first day without a pope might be 2/23/2023, (2)+(23)+(20)+(23)=68, Francis will be 86 years, 68 days of age. The White Fathers were formed in the year 1868 by then Archbishop of Algiers Charles-Martial Allemand-Lavigerie. “Diabolus (Devil in Latin)”=1868 (Pentagonal), moreover, Queen Elizabeth II died 18688 days after Zerbo’s ordination while NATO, established on 4/4/1949, will be 18 days, 886 months (18886) into existence on the date of the possible end of Francis’ papacy. Moreover, Jean Zerbo was born 82729 days after the key date 24 June 1717, founding of the Grand United Lodge of England, 82729 is the 8086th prime number. Francis might leave the papal seat 168 days after the death of “Queen Elizabeth II”=168 (EO), in order for Jean Zerbo to become the first African “Malian Pope”=168 (RO) in history around 8 March 2023.

THE LION OF AFRICA

The surname “Zerbo”=66 (EO), 69 (RO) is the reverse alphanumeric anagram of “Lions”=69 (EO), 66 (RO); Zerbo might be the first African Pope, the lion is the symbol par excellence of the black continent. Zerbo’s papacy as “Pope Leo XIV”=139 (EO) might begin around March 8, 2023, thus 139 days before the first day of the zodiacal sign of Leo. He might succeed to Pope Francis, first of his name, taken by “Saint Francis of Assisi”=1004 (EE), “Assisi”=1004 (RE), “Lion of Africa”=104 (A), “Jean Zerbo”=104 (A), “Fourteen”=104 (EO), “Papa Leone XIV (Pope Leo XIV)”=140 (EO), the Feast of Saint Francis of Assisi is celebrated on 10/4. The themes and dates of release of movies and cartoons, as well as books and songs, sometimes, reveal perfect alignments with future happenings; let’s examine the theme of the lion.

“The Chronicles of Narnia: The Lion, the Witch and the Wardrobe” is a 2005 high fantasy film produced by Disney based on the 1950 novel “The Lion, the Witch and the Wardrobe”, the first published and second chronological novel in the children’s book series “The Chronicles of Narnia” by C. S. Lewis. The movie centred around the themes of the Lion and Sorcery premiered at the Royal Film Performance in UK on December 7, 2005, when possible upcoming Pope Leo XIV, the 267th Pope of the Catholic Church, was 22627 days of age, the movie premiered on the 27th day of the the 207th month before his possible election as Pope. The writer of Narnia’s novels, C.S Lewis died on November 22, 1963, on the same day of the death of Aldous Huxley, writer of the chillingly accurate, seeing the direction society has taken, “Brave New World”, a dystopian novel about the

dehumanisation and enslavement of the human race on behalf of the extremely few. This two renowned writers died the same day of the Assassination of US President John Fitzgerald Kennedy in Dallas, thus the myriads of timespan connections for the passing of these three personalities of the XX century discussed in "The Secret Timeline". Kennedy was assassinated on the 267th Sidereal months (27.3 days; the time interval that the Moon takes to orbit 360 degrees around the Earth relative to the "fixed" stars) since the birth of Jean Zerbo, the probable 267th Pope, or 246.185 Synodic months, "Pontifex ab Ecclesiae Catholica (Pope of the Catholic Church)"=246 (EO), "Catholic Church"=246 (RO), 246.185, "Zerbo"=185 (Fibonacci Cipher). The docu-film "African Cats" was released theatrically by Disney on April 22, 2011, which fell one day short of 6 years, 66 days (666) before Jean Zerbo became the first Malian cardinal of the Catholic Church on 6/28/2017 and the election of Pope Leo might occur 606 weeks, 6 days (6066) after the film "African Cats" was released in Italy on 7/22/2011, "Léon d'Afrique"=666 (Reverse Primes). The movie "Lion" was released in Italian movie theatres on 12/22/2016, 2267 days before the probable election of the 267th Pope, Leo XIV. The actor protagonist of the movie, "Dev Patel"=411 (Reverse Satanic) was born on 4/23/1990, when "Jean Zerbo"=411 (Satanic) was 555 months, 4 exact weeks of age (5554); Patel was 55 months, 4 exact weeks of age (554) for the first day of Zerbo as bishop of Mopti. The French movie "Léon" by director Luc Besson came out in France on September 14, 1994, 6 years, 86 days (as 686, "Pontifex Leo XIV (Pope in Latin)"=686 Satanic) after possible future Pape Léon (in French) was appointed bishop of Accia, Mali, on 6/21/1988, then on the following 20 November he was consecrated

bishop, 303 weeks, 3 days later the movie "Léon" was released. "Pontifex Leo XIV"=3330 (Squares), "Leo XIV"=33 (FR). March 8, 2023, date of his possible election will mark 10402 days since "Leon" came out, "White Fathers"=142 (EO), (AO). 10402 days are also 1486 exact weeks, "Church"=486 (Trigonal), "White Fathers of Africa"=1468 (A), "Jean"=468 (RS and Pentagonal). The movie came out 33,293-33,294 days after the death of the last Pope which went for the name Leo, Leo XIII, on 7/20/1903. "Leo"=293 (Fibonacci Cipher), 294 (RS), "Jean"=294 (Fibonacci Cipher). Disney's blockbuster "The Lion King" came out in the US on 6/15/1994, when possible upcoming "Pope"=52 (EO), 25 (FR) Leo XIV was 50 years, 5 months, 2 weeks, 5 days old (50525), and 28 years, 267 days before 8 March 2023 when he might become the 267th Pope. The Lion King was released in Italy on 11/25/1994, one day short of exactly 3 years, 30 weeks, 3 days before Zerbo was made archbishop, 3 weeks, 3 days before his elevation as archbishop and 10331 days before he might become Pope and take the papal name Leo. The remake of The Lion King came out on 7/19/2019, 2 years, 22 days (222) before Zerbo was made cardinal on 6/28/2017 and 9 days, 576 months (9576) after he was ordained in the Catholic Church on 7/10/71. The voice of the protagonist of the movie, Simba, is that of American actor Donald Glover, born on 25 September 1983, 476 months (duodecimal of 666) after Jean Zerbo. Glover was 5 years, 55 days old (555) on the eve of November 20, 1988, when Zerbo was consecrated bishop, "Lion"=555 (Fibonacci Cipher). The symbol of the lion is held in the highest regards of the ancient Alchemical tradition, so much so that it symbolises gold and by extension, the sun. The themes of the legendary an

mysterious practice of alchemy were brought to the attention of the masses with the famous Japanese animation franchise “Fullmetal Alchemist”, the most viewed anime (Japanese animation) of all time. The anime is based on the Japanese manga series written and illustrated by Hiromu Arakawa (born on 8 May 1973), which tells a story, on a certain extent, similar, on some key points, to what is currently happening at the vertices of power of the world. The anime follows the story of two brothers who perform a forbidden alchemical ritual in order to bring their mother back to life, yet, the younger brother, Alphonse, loses his body, stolen from him by completely black beings who live on the other side of a portal very similar to the Gates of Hell by Rodin, but with Kabbalistic inscriptions such as the Tree of Knowledge; the older brother, Edward, then performs a second ritual in order to be able to bring his brother back, in exchange for his leg and his arm he manages to bring his brother's soul back from the portal, tying it to an armour using an alchemical circle made with his own blood. The two therefore embark on a journey in search of the mythical Philosopher's Stone in order to get back what they have lost, however in the search they end up revealing the plots of a sect at the top political and military levels, at the service of an immortal and powerful being who came right out from the other side of the portal, who, promising immortality to his exclusive circle of servants, orders wars and massacres as a cover for its mass human ritual sacrifices to create various subspecies of Philosopher's Stones with prodigious powers obtained from the souls of the sacrificial victims, all in preparation for a total solar eclipse that activates, with its shadow, an alchemical circle, made of underground tunnels the size of the entire continent, which

absorbs the souls of all beings within its perimeter so as to give the being enough energy to absorb everything that is beyond the portal evoked during the ritual and therefore become a God. The Japanese series Fullmetal Alchemist was serialised in Square Enix's monthly manga magazine Monthly Shōnen Gangan, its first instalment was published in the magazine's August 2001 issue on July 12, 2001.

The first chapter of the manga was released on the 3rd day of the 3003rd week of age of Jean Zerbo, 30 years, 3 days after his ordination, 33 weeks, 3 days after the 12th anniversary (published on July 12th) of his consecration as bishop, 13 years, 3 weeks, 1 day (1331) since he became bishop of Accia, 6 years, 6 months, 3 weeks, 3 days (6633) after he was made bishop of Mopti and 1111 days after he became archbishop, moreover, the first chapter of Fullmetal Alchemist was released 113 exact months before the Golden "Gate"=113 (A) moved to 267 degrees and the possible date of Zerbo's election as the 267th Pope will mark 1130 exact weeks since the first publication of the manga.

The author of "Fullmetal Alchemist"=668 (A) was 668 days of age when Zerbo was ordained, she was born 576 Synodic months after "Jean Zerbo"=576 (ES) and she was 5676 days of age for his consecration as bishop. The first episode of "Fullmetal Alchemist: Brotherhood" aired on 5 April 2009, 616 days before the Golden Gate moved to 267 degrees while the last episode aired on 4 July 2010, 161 days before the Golden Gate went at 267 degrees, 616-161, highly symbolic numbers, "Fullmetal Alchemist: Brotherhood"=6611 (Pentagonal), 8 March 2023 falls 661 weeks after the last episode, "Pope Leo XIV"=661 (Fibonacci Cipher). The eve of 8 March 2023 will mark 12 years, 8 months, 3 days (1283) since the airing of last episode, "Jean

Zerbo”=1283 (A) while the first episode aired 10 years, 283 days after Zerbo became archbishop. The first episode aired 449 exact weeks before he was installed as cardinal titular in the Church of Saint Anthony of Padua on Via Tuscolana, “Catholic Church”=449 (Fibonacci Cipher), the anime aired 746 exact weeks after he was appointed bishop of Mopti, “Number of the beast”=746 (Fibonacci Cipher); on eve of the airing of the last episode of “Fullmetal Alchemist: Brotherhood” on 4 July 2010 Jean Zerbo was 66 years, 6 months, 6 days of age (6666). Sometimes reality surpasses fantasy.

THE WHITE FATHERS OF AFRICA

The White Fathers of Africa or of Society of Missionaries of Africa is Roman Catholic international missionary society of priests and affiliates whose sole field of activity is Africa.

It was founded in North Africa in 1868 by the archbishop of Algiers, Charles-Martial-Allemand Lavigerie (Bayonne, 31 October 1825 - Algeri, 26 November, 1892).

The African cardinal Jean Zerbo is not officially a member of the first Catholic order to operate in Africa, the White Fathers, yet he shares more than a simple affiliation, especially with the founding fathers of the order.

The founder of the White Fathers of Africa, Charles Lavigerie, was born on 31 October 1825, 103033 days after the 3rd anniversary of the founding of the Jesuit Order on

9/27/1540 and 39576 days after the founding of the Grand United Lodge of England on 6/24/1717, the number 39576 entails 3957, "Number of the beast"=3957 (RE).

"Zerbo"=957 (EE), "Jean Zerbo"=576 (ES), 3957-957-576.

"Charles Lavigerie"=666 Masonic. Lavigerie died 3888 days before Pope Leo XIII, "Death"=38 (EO), "Africa"=38 (EO), Leo XIII died on 7/20/1903, that date marked 4444

Plutonian days since the birth of the founder of the White Fathers. "Lavigerie"=1777 (Pentagonal) was ordained on

6/2/1849, 7777 weeks, 7 days later Zerbo became archbishop, the first day after the possible election of "Jean Zerbo"=96 (EO) will mark 9066 weeks, 6 days (90666)

since the ordination of Lavigerie and 2368 months, 8 days since the birth of Lavigerie, "και ο αριθμος αυτου χξϞ" (and his number is 666)"=2368 Greek Isopsephy.

Jean "Zerbo"=69 (RO) was born 969 months, 6 days after the consecration of Lavigerie on 3/22/1863, his possible election on 3/8 will mark 50755 days since that date, "Leo" and "Mali"=575 (Pentagonal). The official Malian language

is French, in French “Pope Leo” is translated with “Pape Léon”. “Léon XIV Diable d’Afrique”=661 (Primes), “Pope Leo XIV”=661 (Fibonacci Cipher). Léo XIV - 14, “Satanas”=114 (RO), “Diable d’Afrique”=114 (EO), the 114th prime number is 619, the date of his possible election will be 619 months since the priestly ordination of Jean Zerbo. His election might take place in the year 2023, in numerology zeroes are usually dropped, thus 2023-223, “Diable d’Afrique”=332 (Primes), “Zerbo”=223 (Primes).

Richard Kuuia Baawobr (21 June 1959 – 27 November 2022) was a Ghanaian prelate of the Catholic Church who was bishop of Wa, he was appointed General Superior of the White Fathers on 5/31/2010, his first day in office was the 6th day of the 6 month after Jean Zerbo’s 66th birthday (6666). Zerbo might be elected Pope around March 8, 2023, 666 weeks, 3 days after Kuuia became the leader of the White Fathers. The role of Superior General of the White Fathers of Africa was then given to Stanley Lubungo, born at Ndola (Zambia) on the 16th June 1967. He took his Missionary Oath in Toulouse on the 7th December 1996 and was ordained a priest in his native town on the 2nd August 1997. Lubungo took his Missionary Oath when Zerbo was 19340 days old (code 934), “Jean”=294 (Fibonacci Cipher), 2940 days or 101 months, 2 weeks, 3 days (123) after his first day as auxiliary bishop of Bamako, and 567 days before Zerbo became archbishop, “Leon XIV”=567 (Fibonacci Cipher). Lubungo, born on 6/16/67, took the missionary oath when he was 10767 days old, while he was 7676 days old when Zerbo was made bishop of Accia on 6/21/88. Lubungo was 666 months, 16 days of age when Benedict XVI died. The White Fathers Missionaries of Africa operate in no more or less than 42 countries. “Peres Blancs”=42 (FR), “Jean Zerbo”=42 (FR).

Jean Zerbo was ordained on 7/10/71 by archbishop Pierre Louis Leclerc, born on 3/20/1905, 20 months, 1 day after the death of "Catholic Pope"=201 (RO) Leo XIII on the 201st day of the year 1903 at the age of 93. Leclerc was on the 333rd day of his 3rd year of life (age 2 years, 333 days) for the official approbation of the White Fathers. The approbation, in Catholic canon law, is the act by which a bishop or other legitimate superior grants to an ecclesiastic the actual exercise of his ministry, for example, the sacrament of penance. 2023 might be the year of "Pontifex Jean Zerbo"=2023 (EE), Leclerc was ordained priest on the 3rd day of the 2023rd week before he ordained Zerbo, who was born when Leclerc was 2023 exact weeks old, remaking how Zerbo might take the papal seat in 2023, or 456 months, 7 days old, and he died on 11/23/1983, when "Jean Zerbo"=576 (ES), 1576 (Squares), was 14576 days old or 478 months, 4 exact weeks old, thus on the 479th month of life of "Jean Zerbo"=479 (Fibonacci Cipher). Pierre Leclerc was ordained on 10/6/32, 11 years, 3 months, 2 exact weeks (1123) before the birth of Zerbo, and he died on 11/23. Leclerc was 66 years, 16 weeks old (6616) when he ordained Zerbo and he resigned as bishop of Ségou on 7/1/74, on the 1st day of his 3616th week of life, when Jean Zerbo was one day short of 366 weeks, 6 days old. Zerbo was born on the 2nd day of the 2666th week since the death of Charles Lavigerie and Joseph Tomko, the cardinal who consecrated Zerbo bishop of Accia on 11/20/88, his first official charge since his priestly ordination, died on the 2nd day of the 2666th week since he ordained Zerbo on 7 /10/71. Pope Leo XIII began the process aimed to the recognition of the White Fathers with the decretum laudis, Latin for "decree of praise", an official measure with which the Holy See grants to institutes of consecrated life and societies of apostolic life the recognition of ecclesiastical institution of pontifical right, signed on 3/16/1879, 777 months, 11 days before the birth of "Jean Zerbo"=479 (Fibonacci Cipher), the 92nd prime,

and 92 years, 3 months, 3 weeks, 3 days before his ordination on 7/10/71 as a member of the White Fathers. Pope Leo XIII signed the decretum laudis 12 months, 3 weeks, 4 days (1234) or 55 weeks, 5 days (555) after his election on 2/20/1878. Leo XIII died three days short of 8888 days later, on 7/20/1903. The decretum laudis was signed 390 days after the beginning of the papacy of Leo XIII, "Pope Leo"=39 (FR), it was followed by the definitive approbation of the White Fathers on 2/15/1908, 13099 days later possible upcoming Pope Leo XIV"=139 (EO), 1309 (EE), was born. "Jean Zerbo"=96 (EO) was ordained 969 months, 6 days after the approbation, "Zerbo"=69 (RO). The possible "Pope Leo"=308 (Masonic), "Jean Zerbo"=308 (Primes), "Beast"=308 (EE), was ordained 3308 exact weeks after the approbation, and he might be elected on 3/8, "Africa"=38 (EO), 1380 months, 3 exact weeks after the approbation of the White Fathers.

The first Wikipedia article (in English) on the White Fathers of Africa was created by user "Fastifex" on 11/23/2005, at 7:59 AM. 7 hours, 59 minutes are 479 minutes in the day, "Jean Zerbo"=479 (Fibonacci Cipher), 11/23 is Fibonacci Day since the Fibonacci Sequence starts as follows, 1, 1, 2, 3, thus the date 11/23. On 11/23/2005 Jean Zerbo was 22613 days of age, 22613 is the 2525th prime number (year 2005, 25), "Pope"=25 (FR), "Zerbo"=25 (AO). 11/23 was 12555 days since his ordination on 7/10/71 and the 22nd anniversary of the death of archbishop Pierre Louis Leclerc, bishop emeritus of Ségou, Mali, who ordained Jean Zerbo in the Catholic Church on 7/10/71. November 23, 2005 was the 327th day of the year, leaving 38 days before the end of the year, "Zerbo"=327 (EA) might be elected "Pope"=327 (Fibonacci Cipher) on 3/8, as 38, matching the days left in the year on the date 11/23, if so, Zerbo might take the papal

name Leo, in honour of Pope Leo XIII, who made the White Fathers a religious order of the Roman Church, and León-Antoine-Augustin-Siméon Livinhac, historic Superior General of the Order who died on 11/12/1922, a span of 30327 days before the Wikipedia page was created on the 327th day of the year. The date of the creation of the Wikipedia page of the White Fathers had the following numerology: $(11)+(23)+2+0+0+5=41$ and $1+1+2+3+2+0+0+5=14$. The current Superior General of the White Fathers of Africa, Stanley Lubungo, was 14041 days old on that day, remarking how Zerbo might become Pope Leo 14th. Now, recall how the Wikipedia page was created on the 479th minute of Fibonacci Day, and "Jean Zerbo"=479 (Fibonacci Cipher), from that date to the possible last day in office of Bergoglio there is a span of 900 weeks, 2 days and 902 exact weeks before the possible election of Zerbo on 3/8/23, zeroes are dropped in numerology and gematria thus 902 becomes 92. 479 is the 92nd prime, the user who created the page on 11/23, Fibonacci Day, went by the name "Fastifex"=92 (Fibonacci Cipher).
